## TECHNICAL SKILLS

---

**Languages:** Html, Css, JavaScript

**Libraries:** ReactJs, Redux, Redux Tool Kit, React Query, React Router, Axios

**Frameworks:** React Native, Bootstrap, Tailwind CSS, Material UI, ExpressJs

**Database:** MongoDB, Firebase

**Version Control Systems:** Git, Github

**Runtime Environments:** NodeJs

## PROJECTS

---

**React Native - Full Stack App (Fire Crew)** | [Indus App Store](#) | [www.firecrew.in](http://www.firecrew.in)

- Integrated **Payment Gateway** for Subscriptions.
- Utilized **real-time data** to maintain team synchronization.
- Enabled **QR code generation** and **scanning** for detailed extinguisher information and management.
- Allowed users to **create** and **join teams** for enhanced collaboration.
- Developed features for generating PDF and Excel reports.

**e-commerce site (ukart)** | [View Project](#)

- Utilized **Context API** and **reducer** for seamless cart management and real-time updates.
- Integrated dynamic product filtering to simplify browsing.
- Implemented advanced cart features for enhanced shopping experience.

**Movie search website (use popcorn)** | [View Project](#)

- Integrated **external API** for effortless movie searches.
- Enhanced with intuitive local rating and watchlist functionality.
- Leveraged **local storage** for storing ratings.
- coupled with **component composition** to create an engaging UI.

**Quiz App** | [View Project](#)

- Developed an **interactive** quiz app leveraging **Redux** for robust **state management**.
- Enhanced with intuitive local rating and watchlist functionality.
- Integrated a timer feature to add a sense of urgency and challenge to the quiz experience.
- Implemented a scoreboard with score comparison functionality for enhanced user engagement and performance evaluation.

**Blog website (Atomic Blog)** | [View Project](#)

- Created an **interactive** blog platform featuring randomized posts for a dynamic browsing experience.
- Implemented efficient **search functionality** to help users quickly find relevant content.
- Designed seamless blog post creation capabilities for users to effortlessly submit their own content, enhancing user engagement and platform versatility.

**Video Lectures App** | [View Project](#)

- Developed a responsive video lectures app using **Chakra UI** for seamless functionality on all devices.
- Optimized user experience with a **clean design**, intuitive navigation, and **responsive layout** for effortless learning.
- Integrated a dark mode feature for enhanced flexibility and reduced eye strain during extended viewing.

## EDUCATION

---

**Avanthi Institute Of Engineering and Technology**

*B.Tech - Electronics and Communication Engineering*

*vizianagaram, Andhra Pradesh*

**Sri Chaitanya Polytechnic College**

*Diploma - Electronics and Communication Engineering*

*vizianagaram, Andhra Pradesh*
